Speaker Biography

Terri Couwenhoven, M.S. is an AASECT certified sexuality educator who specializes in developing programs and resources for people who have cognitive disabilities, their families and the professionals who support them. She is the author of *Teaching Children with Down syndrome about their Bodies, Boundaries and Sexuality: A Guide for Parents and Professionals*, *The Girls' Guide to Growing Up: Choices and Changes in the Tween Years*, *A Boy's Guide to Growing Up: Choices & Changes During Puberty* and her newest book, *Boyfriends & Girlfriends: A Guide to Dating for People with Disabilities*.

When she is not teaching or writing, she is Clinic Coordinator for the Down Syndrome Clinic at Children's Hospital of Wisconsin. She is the mother of two girls. Her oldest daughter has Down syndrome.
